Dear Baisakhi Cup 2016 Organizers and Participants:

At the outset let me congratulate the organizers and the participants of the 2016 Annual Baisakhi Cup for holding such an event in the Americas. Also, I appreciate the choice of tournament venue of Las Vegas. The spirit of Punjabis shines yet again for taking the initiative to gather Indians from various walks of life to converge on a common platform of Golf. I sincerely wish that this gives fillip to the game of golf and camaraderie amongst players that this game stands for.

My best wishes for the Baisakhi Cup of year 2016 and pray for continued success in the years to come and hope the benefits of this can trickle down to the Indian golfers all over the world, especially India.

Yours golfingly,
